

CN Pathway Courses: Common Cartridge Import Guidelines

Other LMS	The CN	Editable	Additional Information	Limitations
Modules, Lessons, etc.	Lessons	Yes		CN Lessons only contain a lesson title.
Pages, etc.	Activities	Yes		
Assignments	Activities + GradeBook Items	Yes		<ul style="list-style-type: none"> The GradeBook items for discussion assignments are not imported. They must be created manually. GradeBook categories and weights are not imported. They must be set up in CN manually after import.
Web Links	Web Links	Yes		If this is an individual link that is separate from other content, it may not be imported. Please double check.
LTI Tools, LTI Links	LTI Links	Yes	Please double check each LTI tool, making sure they still work after import.	Common Cartridge doesn't import LTI Links keys.
Discussion Forums	Activities	Yes		The GradeBook items for discussion assignments are not imported. They must be created manually.
Files			Since CN Pathway courses do not have the file-folder structure, files from another LMS are not supported through Common Cartridge import.	

Quizzes	Activities+ Quizzes + GradeBook Items	Yes	<ul style="list-style-type: none"> • These quizzes are added to the Quizzes section and as GradeBook items. • Imported quizzes are unpublished by default. Instructors need to publish them after reviewing the quiz settings and each question. • Please review the point value of each question and the “minimum points” for activity completion to make sure they are as expected. 	<ul style="list-style-type: none"> • CN supports importing the following question types: multiple choice, multiple response, true false, essay, fill in the blank, pattern match (will be imported as short answer questions). • If a question does not have a correct answer when it should have (for example, a fill in the blank question does not have any blanks), the question will not be imported.
Question Banks	Question Banks	Yes	Please review the point value of each question to make sure they are as expected.	<ul style="list-style-type: none"> • CN supports importing the following question types: multiple choice, multiple response, true false, essay, fill in the blank, pattern match (will be imported as short answer questions). • If a question does not have a correct answer when it should have (for example, a fill in the blank question does not have any blanks), the question will not be imported.
